The Bass

The Bass embodies contemporary family living with its thoughtful design and functional layout. Featuring four bedrooms, including a master bedroom with an ensuite and walk-in robe, it offers ample accommodation for families.

The open-plan kitchen, living, and dining areas create a seamless flow of space, perfect for both relaxation and entertaining. Opening onto the alfresco area, this space provides an ideal setting for outdoor dining and leisure.

Additionally, the separate living area at the front adds versatility, serving as a media room or second living space to accommodate various lifestyle needs.

With its practical features and modern design elements, the Bass offers a comfortable and stylish living environment for families to enjoy.
