The Curlewis

The Curlewis combines spaciousness with executive-style living, with a larger frontage. Its generous master bedroom, complete with a sizable ensuite and walk-in robe, sets the tone for luxury and comfort within the home. The living area positioned at the rear maximizes privacy and relaxation, seamlessly flowing into the outdoor living space for effortless indoor-outdoor living. These key features exemplify the Curlewis' commitment to providing a premium living experience while adhering to the standards of our executive range. With its thoughtful design and emphasis on comfort and functionality, the Curlewis offers a sophisticated yet inviting home environment that caters to the needs and desires of discerning homeowners.
